Locke Cheung

HKBU BBA in Finance '29 | Financial Inclusivity
Hong Kong SAR

Summary

Dedicated finance student championing financial inclusivity through technology and ESG integration. Shaped by personal resilience, my journey has equipped me with deep empathy and a systematic, analytical approach to complex challenges. I thrive in collaborative, high-pressure environments and am driven to build a career where rigorous financial modeling meets tangible social impact.

Experience

KPMG China

KPMG Ambassador and Mentee

September 2026 - Present (1 month)

Hong Kong SAR

Campus Representation: Serve as a KPMG Ambassador representing the firm at Hong Kong Baptist University, sharing professional experiences and industry insights with peers to build a strong on-campus network.

Professional Development: Selected to participate in the prestigious 2026/2027 Mentorship Programme, receiving dedicated 1-on-1 guidance from a KPMG professional to develop technical skills and professional readiness.

Strategic Engagement: Leverage foundational finance knowledge to connect with university talents, bridging the gap between student communities and the firm's professional services.

Hong Kong Trade Development Council

Trade Ambassador

September 2026 - Present (1 month)

Hong Kong SAR

Industry Exposure: Actively participate in trade exhibitions, seminars, and networking sessions hosted by the council to cultivate commercial awareness and build connections within the local business ecosystem.

Strategic Representation: Act as a representative for HKTDC initiatives, facilitating meaningful dialogue and connections between the university student body and Hong Kong's dynamic trade sector.

Commercial Insights: Engage alongside fellow 2026/27 Cohort members to translate foundational academic finance knowledge into a practical understanding of global trade dynamics and regional economic development.

HKBU Fund Management Committee

Investment Analyst

July 2026 - Present (3 months)

Market Analysis: Conduct comprehensive US equity research to identify emerging investment opportunities and assess market trends.

Financial Evaluation: Analyse financial statements, track macroeconomic indicators, and develop investment pitches for the student-led fund.

Portfolio Reporting: Collaborate on comprehensive investment reports for around HK\$1.8M student fund, integrating professional feedback and mentorship from HKSI and CFA.

Bank of China (Hong Kong)

2 months

Summer Intern - Personal Banking

July 2026 - August 2026 (2 months)

Guangzhou

Client Experience Management: Support the personal banking department in delivering frontline financial solutions and enhancing the retail client experience.

Operational Support: Leverage foundational knowledge in finance to assist with daily operational workflows and banking product analysis.

Strategic Integration: Observe and support potential areas for digital integration and sustainable finance initiatives within retail banking operations.

Summer Intern - Human Resources

July 2026 - July 2026 (1 month)

Hong Kong

Cross-Functional HR Operations: Rotated across Client Relations, Employee Relations, Talent Acquisition, and Learning & Development to analyze human capital workflows and talent management strategies within a leading financial institution.

Corporate Culture & Engagement: Collaborated with a 4-member intern team to conceptualize a technology-driven "AI Carnival," pitching innovative engagement initiatives designed to optimize corporate culture and staff welfare.

Human Capital Strategy: Facilitated a corporate history exhibition booth to drive internal engagement, translating academic business frameworks into practical HR soft skills such as cross-departmental collaboration and stakeholder empathy.

Freelance | Self-Employed

Private English Tutor

June 2025 - December 2025 (7 months)

Kowloon

Measurable Impact: Propelled a student from the class median to the top 10% within one term, raising core scores from 50% to 85% via targeted, timed drills.

Data-Driven Strategy: Diagnosed learning gaps using rubric-based analytics, providing structured feedback and model answers to systematically reduce errors.

Bilingual Communication: Leveraged native Mandarin and fluent English to translate complex concepts into easily digestible lessons.

Stakeholder Management: Directed continuous progress reviews with parents, establishing clear, actionable milestones after each session.

Ocean Park Corporation

F&B Operations Associate

May 2025 - July 2025 (3 months)

Ocean Park, Hong Kong Island

Financial Reconciliation: Reconciled HK\$20,000+ in daily POS transactions, ensuring 100% ledger accuracy to streamline reporting.

Operational Efficiency: Optimized peak-hour flow and safety protocols, managing crowd control for a 200-person capacity venue.

Trilingual Service: Elevated the guest experience for 500+ daily visitors via premium front-line service in English, Cantonese, and Mandarin.

Cross-Functional Collaboration: Worked dynamically within a 10-person team to resolve inquiries and sustain high service standards under pressure.

Education
